

Washington Twp and Monroe Twp Kids Choice

Dear Kids Choice Families,

First and foremost, I hope this finds everyone safe and healthy in these unprecedented times. Hopefully this will be all over soon and we all will be stronger for what we have gone through together.

Kids Choice will be cancelling all upcoming payments effective immediately until we have a firm date for the opening of our locations. The March 15th payment that should have been made will stay in your account as credit for when school resumes. Example: If we are told that school will resume May 1st then the March 15th payment will be applied for May's care. If your account is not current or if you have not made the March 15th payment no credit will be applied. Once again when we know the firm starting date, we will figure the credit that's needs to be applied to your account for the missed time in March.

For our families that paid in full for the school year; we will issue you a credit for future care. If your child is moving onto Middle School in Washington Twp (where Kids Choice is currently unavailable) for the next school year, please contact me directly to discuss other options. We encourage you to reach out to us via email at kidschoicewt@comcast.net to let us know your intentions.

To our families who have contacted us and informed us to convert any credit towards keeping our staff members employed and paid through this difficult time we cannot thank you enough. Your generosity is truly appreciated.

To our families set up on autopayments we will suspending those payments effective immediately. If you are set up to send a check from your bank automatically, I strongly suggest that you go online and suspend that service until this is resolved.

Kids Choice Summer Camp is accepting applications' and is still going to operate from 6/22/20 until 8/07/20. Contact us kidschoicewt@comcast.net for more information on this awesome camp. Spots are limited.

We miss you all terribly, but we will see you soon. Until that time please stay safe and healthy.
